

EAGLE SPRING LAKE MANAGEMENT DISTRICT
REGULAR MEETING
June 20, 2006

Approved Minutes

Tom Day, chairperson, called the meeting of the Eagle Spring Lake Management District to order at 7:30 p.m. Other Commissioners in attendance were Nate Cobb, Matthew Thew, Jim Pasterski, Tom Weier, and Town of Eagle Representative Don Malek and Waukesha County Representative Pamela Meyer. Two residents were present. Tom Day officially welcomed our new Waukesha County Representative, Pamela Meyer, to the Eagle Spring Lake Management District Board.

Approval of Minutes – N. Cobb made a **Motion** to approve the minutes of May 16, 2006 regular meeting with a correction. Second by M. Thew, motion carried.

Weed Harvesting/Collection & Chemical Weed Project – T. Day announced that he started harvesting of the Eurasian Water Milfoil (EWM) on May 22nd. T. Day shared and discussed with the Board the various areas of Milfoil growth. Overall the patches of EWM are not as thick as in previous years. T. Day made a recommendation to chemically treat the various areas of EWM growth, noted in July's Newsletter, this fall. The Board will act on the fall chemical treatment at the next meeting in July.

Watershed Study – Status of Current Projects – T. Day presented Paul Garrison's report on the aging of the core samples taken on May 24, 2005. Conclusions from the report showed that our lake is super-saturated with calcium. It is estimated that the rate of new marl accumulation is 2 to 5mm per year. T. Day is attempting to have a meeting with N. Cobb, Randy Schumacher, Heidi Bunk, Scott Thompson and himself before the next sub committee meeting.

Dam Report/Lake Water Level – T. Day reported that a report from Ayres & Associates is expected by our July meeting. T. Day stated that the groundwater springs are more active with the greater rain fall that we have had lately.

Public Boat Launch Project – Gordon Wambold stated that the silt fence has yet to be removed and people are swimming at the public launch site and this could pose a possible dangerous situation.

Temporary Environmental Water Level Reduction (TEWLR) – T. Day commented that he will be working with the Nature Conservancy the week of July 17th in obtaining data for the study that is being performed before any environmental water level reduction could take place.

Newsletter – The Board discussed articles and budget item changes to the draft of July's Newsletter due to be mailed on approximately July 5th.

New Business

Lake Patrol – D. Malek presented the lake patrol report from May 7 to June 11, 2006 on behalf of Dennis Nork. There were 16 citations and 40 verbal warnings issued during this time. Memorial weekend had more boats than usual with more canoes and kayaks and new people using the lake. Complaints were as follows: a resident trying to warn boater going wrong way thru Ski Channel and being ignored, a lake resident wanting increased monitoring of boats getting to close to pier on South Shore Drive, a boater reporting speeding thru channel to Lulu and a resident reporting boats getting to close to his pier in Jacks Bay, before the Slow-No-Wake buoy. Boating Safety Classes will be sponsored by Mukwonago this year. Current boat patrol officers are Charles Braeger, Craig Konopski, Sgt. Dennis Nork and they are looking for one more part time officer to help out.

Gordon Wambold stated that boats are using the public launch and parking on Hwy E with empty trailers when launch site parking lot is full. This is going over the capacity allowed for at launch site.

Other – The Board discussed possible dates for the 4th of July fireworks in 2007. The dates decided upon and will be checked for availability were July 3rd and a rain date of July 7, 2007.

Financial Update and Payment of Bills – Motion made by D. Malek to approve and pay the bills. Second by N. Cobb, motion carried.

At 8:58 p.m., J. Pasterski moved to adjourn, second by N. Cobb, motion carried.

Regular Meeting – The board will meet **Tuesday, July 18, 2006.**

Respectfully submitted,
Gina Krause
Bookkeeper/Administrative Assistant
